

## **Week 4**

**Chair:** Maria

**Notes:** Merel

Distributed evenly

Tuesday email, about peer review. Deadline thursday.

Grade in the same range, but can differ a bit.

Commit the working stuff, even if it is not completely done.

How to make the CI custom. Continuous integration file.

When you push something it goes into the pipeline.

Backlog are all the features.

Sprint review: reviewing how you did last week.

Sprint plan: every week. Screenshot.

### **PLANS FOR NEXT WEEK:**

Sever: profile page.

Merel: badges and learn more about JavaFX.

Irtaza: make the main page.

Tudor: writing tests for the classes so far.

Maria: deliveries, learn JavaFX.
